

Announcement of Mahidol University

Requirements for Students to Participate in

Mahidol University Students' Extracurricular Activities, B.E. 2560 (2017)

In order to allow students to have an opportunity to learn and gain experience from outside of the classroom and foster them to become graduates who portray desirable characters and organizational culture of Mahidol University; and to ensure that extracurricular activities provided for Mahidol University's students are conducted in an orderly manner,

Mahidol University requires students who enrolled in the 2017 academic year onwards to participate in the extracurricular activities provided by the university throughout their study according to the following details:

1. Students must participate in at least 16 extracurricular activities for at least 100 participation hours. See the attachment for the structure of the activities.

Students who fulfill the requirement—participating in at least 16 activities for at least 100 participation hours—will receive the Activity Transcript from the University upon their graduation.

2. Undergraduate students in regular programme are advised to be a member of at least one student club. The membership status will be included in their Activity Transcript.

3. Graduate students can voluntarily participate in any extracurricular activities provided.

4. In cases when the Announcement is not applicable, a decision is upon the discretion of the vice president in charge of student affairs, and the decision is considered final.

Announced on 30th March 2017
